A Em
The beacon light is calling me

the light that never dies

casts shadows in the sky

A Em
Standing right in front of you

Is where I need to be

A Em
Reliving this is something new

Bm A
And something finally

A Bm
Take the deep end

A D
And swim til you can stand

A Bm A D
Cause it will make a difference in the end

A Bm
Trip the shudder

A D
And keep the picture close

A Bm A D
Save it until you need it the most
