

**Spring**

**Two Door Cinema Club**

Capo 5

**G** **Em** **Bm**  
I had watched you taking in the spring  
**G** **Em** **Bm**  
through dusty sun-kissed bodies wondering

**G**  
Between you and me  
**Em** **Bm**  
As if they don't see this distraction  
**G**  
This beautiful view  
**Em** **Bm**  
This delicate you in the way

**Cadd9** **Em**  
If I follow you tonight  
**G** **Cadd9**  
And leave tomorrow  
**Cadd9** **Em**  
If it's all forgotten love  
**G**  
forgotten love

If I follow you then  
I will need you closer  
One more day is not enough

Anything that I could ask of you  
Is more than anything that I could do

What did I say  
I cannot say I remember  
but every word  
Seems so absurd my love

If I follow you tonight  
And leave tomorrow  
If it's all forgotten love  
Forgotten love

If I follow you then  
I will need you closer  
One more day is not enough

I don't mind

If all this time  
Is all that we had to spend  
Everyone carelessly pretend

If I follow you tonight  
And leave tomorrow  
If its all forgotten love  
Forgotten love

If I follow you then  
I will need you closer  
One more day is not enough
