

Your Not Stubborn  
Two Door Cinema Club

Intro-G, G, Em, Bm

G G  
I was wrong, I take it back  
Em Em  
Now can we get along, give up the slack  
Bm Bm  
You know it all could be much easier  
C C  
But I m still travelling, I m still travelling  
G G  
And all the while, the people talk  
Em Em  
About the unsung shit, that they then stop  
Bm Bm  
And use to please the crowd, the swarming hordes of  
C C  
Fun that watch on in sunglasses  
G Em  
So if I m wrong again, I apologise  
Bm G  
You can take your guest, I ll take out my eyes  
G Em  
It s a common thing, to be out of line  
Bm G  
But it s getting old, by the fifteenth time  
G G  
Take your time, make up your mind  
Em Em  
Though it won t change the world, you ll be more inclined  
Bm Bm  
To have a point of view, that makes it through  
C C  
And keeps you travelling, keeps you travelling  
G G  
So pick your friends, forget the rest  
Em Em  
You can t live life being second best  
Bm Bm  
The critics talk of stubbornness  
C C  
But you re just passionate, you re just passionate

G Em  
So if I m wrong again, I apologise  
Bm G

You can take your guest, I ll take out my eyes

**G**

**Em**

It s a common thing, to be out of line

**Bm**

**G**

But it s getting old, by the fifteenth time
