

Fly Low Carrion Crow
Two Gallants

Hello everyone this is my first tab, and its not really much other than how to play this song with a capo. anyways here it is enjoy!

Capo 1
Standard Tuning

Intro: **F#m A D**
D A E
F#m E D
F#m E A (Same chord progression for the rest of the song)

F#m A D
Fly low you carrion crow
D A E
seize my body for the debt i owe
F#m E D
drop me high into the depths below
F#m E A
for the things ive seen no one else should know

F#m A D
its just you and me and my ribcage brain
D A E
we polish the brass and we dust the pane
F#m E D
and we lay down fallow like slaveless chains
F#m E A
and they call us sick as though theyre all so sane

F#m A D
so fly low you carrion crow
D A E
and seize my body for to free my soul
F#m E D
and drop me high into the depths below
F#m E A
for the things ive seen no one else should know

F#m A D
and what speak you of a love so bold
D A E
no song could sing no word could hold
F#m E D

but i warn you now of an end foretold

F#m

E

A

and a life long waitin for deaths parole

F#m A D

so fly low you carrion crow

D

A

E

seize my body for it lives no more

F#m

E

D

and drop me high into the depths below

F#m

E

A

for the things ive seen no one else should know

F#m

E

A

for the things ive seen no one else should know

F#m

E

A

for the things ive seen no one else should know
