

Long Summer Day
Two Gallants

this song is played live with a capo on 2 however this tab is written to be played without a capo.

Intro: Just play F# C#7 G#m7 in different orders

F# **C#7** **F#7**
Well, the summer day make a white man lazy
B **F#**
Well, all I ve ever known is poor
C#7 **F#**
Owe my skin to the country store
G#m7 **F#7**
Dont own my walls, my roof, my door
C#7
But he tells me I m free
B **F#**
But I fight the will to live
C#7 **F#**
Hell might take but heaven gives
G#m7 **F#7**
It s the only one so I ll forgive
C#7
And Im not the one to grieve

F# **C#7** **F#7**
And the summer day make a white man lazy
F# **C#7** **F#7**
He sits on his porch killing time
B **F#** **G#m7**
I gotta work to feed my wife and baby
F# **C#7** **F#7**
I work so god damn hard that it s a crime

B **F#**
Well, I went down to the polling place
C#7 **F#**
The white men there just laughed in my face
G#m7 **F#**
Saying boy, this aint no nigger s race
C#7
You best get on your way
B **F#**
Sir, I believe I ve got the right
C#7 **F#**
Said you aint got nothing if you aint white
G#m7 **F#**
And I thought I said get out of sight

C#7

Well, what was I to say?

F#

C#7

F#7

And the summer day make a white man lazy

F#

C#7

F#7

He sits on his porch killing time

B

F#

G#m7

I gotta work to feed my wife and baby

F#

C#7

F#7

I work so god damn hard that it s a crime

B

F#

When I was bout the age of five

C#7

F#

Watched my daddy burned alive

G#m7

F#

They cut him low and they hung him high

C#7

Swayin in the breeze

B

F#

The last words I heard him say

C#7

F#

Before they stole his life that day

G#m7

F#

Was forgive them lord, they ve gone astray

C#7

Now take me to my knees

F#

C#7

F#7

And the summer day make a white man lazy

F#

C#7

F#7

He sits on his porch killing time

F#

G#m7

B

F#

But the summer day make a nigger feel crazy

F#

C#7

F#7

Might make me do something out of line

Solo (figure it out. Same chords...)

B

F#

Well, I dont know but I heard tell

C#7

F#

Of a furnace below a place called hell

G#m7

F#

And who would catch me if I fell?

C#7

Who would pray for me?

B

F#

But one thing I see for sure

C#7

F#

It s hot as hell up here I know

G#m7

F#

And the devil lives right down the road

C#7

It s all the same to me

F#

C#7

F#7

And the summer day make a white man lazy

F#

C#7

F#7

He sits on his porch killing time

F#

G#m7

B

F#

But the summer day make a nigger feel crazy

F#

C#7

F#7

Might make me do something out of line

D#m

B (E barre shape)

But if you should see my wife

F#

C#7

Tell her that I wont be home tonight

D#m

B (E barre shape)

So dont leave on the light

F#

G#m7 C#7

I got a little buisness down the road

D#m

B (E barre)

And If I m dead by sunrise

F#

C#7

Kiss my baby girl for me

D#m

B (E barre)

It aint life if it aint free

F#

C#7

F#

I got a mighty burden to unload

Outro: Verse Chords + some others.. idk.
