

Steam

Ty Herndon

(Capo at the first fret)

Intro: **C**

C **F**
Steam from a summer raindrop, Risin off the blacktop
G **C**
I wipe the sweat from my brow
F
Steam from my radiator, Iâ€™m late and getting later
G **Am**
Should be at your place by now
F
Bank signs says a hundred and two
Am **G**
But, that ain t nothing when I m next to you

[Chorus]

C **F**
There s fire in your fingertips, Flames in your touch
Am **G**
Desire in your burin lips, Can t get enough
C **F**
Today was a scorcher, But, I ll go you one better
A# **G** **C**
Tonight when we get together. We re gonna make steam

C **F**
I dream of there on my front step, Sunnin in that short dress
G **C**
Hotter than the Texas heat, Seems I m never gonna get there
F **G** **Am**
Traffics going nowhere, But When I feel you next to me
F
Girl, the things that you know to do
Am **G**
Just makes my heat index, go through the roof

Repeat Chorus:
