

Gold On The Shore

Ty Segall

Each line of the intro as written below lasts one bar. I think it s in 3/4 timing. The whole intro is repeated 4 times each time it is played. The lyrics don t appear to be anywhere on the internet and aren t on the liner notes so I gave it a crack.

[Verse]

A D G F
A kiss in the wind, to my girl
C G F A
This is the rose that I gave you before
A D G F
A sweet summer breeze, is out there
C G F A
These are the showers that watch on the door
A D G F
And these are the plains, in our hearts
C G F A
Made in the sun and the gold on the shore
A D G F
This is the grave in our hands
C G F A
The fall I can sense and the flight evermore
