

Worlds Apart
tyDi

[Intro]

Em D G
C D Em

Repeat 4X

[Verse 1]

Em D G C D Em
Oh, how did it come to this? Am I still breathing?
Em D G C D Em
Blind faith and a silent kiss and I m still reeling
Em D G C D Em
Hope echoing through my heart and I know this feeling
Em D G C D G
We ll take it back to the start and be done dealing

[Chorus]

D G C
Please don t break my heart
D G C
You hold all its pieces, never let it fall apart
D G C
Oh, you said it all
D G C
We lose sense of reason every time we seem to fall

[Verse 2]

Em D G C D Em
One look and the world stands still but the sky s falling
Em D G C D Em
One word and we both begin to accept ending
Em D G C D Em
Hope crashing into your arms but still, I m dreaming
Em D G C D G
One room but still world s apart and there s no healing

[Chorus]

D G C
Please don t break my heart
D G C
You hold all its pieces, never let it fall apart
D G C
Oh, you said it all
D G C
We lose sense of reason every time we seem to fall
D G C
Please don t break my heart

D **G** **C**

You hold all its pieces, never let it fall apart
