You tried hard but the harder you tried

Em D C B7

you could have made something of your life.

Em D C B7

You took the wrong turn down a one way street.

Em D C B7

There s no U-turns, no success, only defeat.

C D B7 C

You closed the doors leaving insults locked inside.

C D B7 C

You didn t care about your looks began to slide.

Em D C

Now you ve become everything you didn t want to be,

Em D C

you tried to hide it but now it s on show for all to see.

Em D C

Become.

Em D C B7

You re just a puppet while someone else pulls the strings.

Em D C

B7

You re down on your knees begging thrown morsels of better things.

Em D C B7

You planned to conquer but now you re content with defeat

Em D C

B7

on the outside you pretend to fight but you ve given up underneath.

C D B7 C

You closed the doors leaving insults locked inside.

C D B7 C

You didn t care about your looks began to slide.

Become.

Em D C B7

And the lies have been told so many times before.

Em D C B7

It s no longer possible to distinguish them from the truth.

So you categorize your life and you stamp yourself with a price

Em D C B7

And you get up on the meat rack with everybody else.

C D B7 C

You closed the doors leaving insults locked inside.
