HOW DID YOU SLEEP AT NIGHT?

**G D G G D G**

**G D G**  
Well, finally they caught up with you

**G D G**  
Though I bet you never thought they would  
**C G**

All those clues who s lead up blind alleys  
**C G**

And all the trails which had faded with time  
**C G**

There s just one question I would put to you

**Em D C**  
How did you sleep at night? Knowing she s out there

**Em D cba G**  
How did you sleep at night?

**G D C G**  
No murder weapon just the strength in your hands,

**G D C G**  
Fused with the madness watched in your mind of sand

**G D**  
How your act became so believable

**C G Em D C**  
that any suspicion washed away with the time we all swam

**Em D C Em D C**  
How did you sleep at night? Knowing she s out there all alone

**Em D C**  
Was it your conscience that you buried

**Em D C**  
Along with her in the snow?

**Em D C**  
How did you sleep at night?

**Em D C**  
How did you sleep at night?

**Em D C Em**  
How did you sleep at night?
