ROSARY MOZAIC

**Em**

**Em**

**Am**

Harry was the charmer who lead her into town

**D**

**B**

He paid homage to her father by shooting him down

**Em**

**Am**

Strange the way the stars looked as she gazed into the black

**D**

**B**

But you knew this man was evil and she was never coming back

**Em**

**Am**

She outlived her welcome and she lost sight of the night

**D**

**B**

Well you got paid for having sex, the money wasn't yours

**Em**

**Am**

Your best friend was a dreamer lived in a velvet cocoon of smack

**D**

**B**

She knew she was too far down the road to ever make it back

**Em**

**Am**

**D**

**B**

Rosey, Rosey, Rose

**Em**

**Am**

You had a friend from beneath the streets, lived on tennants and his wits

**D**

**B**

He'd kill for you he'd die for you dispose of any threats

**Em**

**Am**

The moon got lost behind the night, the flash saw the blade cut deep

**D**

**B**

The evil man slumped to the ground now the deed was complete

**Em**

**Am**

They vanished into the darkness as quickly as they came

**D**

**B**

The smell of death had filled the air as blood ran down the drain
