Tyler Childers

D **A**
Charleston girl in a darkened room
C **G**
And you don t know her like I do
D **A**
We took the fire escape to her room
C **G**
And got stoned, ragin blind
D **A**
Left my money in the trustin hands
C **G**
Of them ol steel brothers and fast crash band
D **A** **C** **G**
One day I m gonna drive up there and give them half my mind

(**G**)

D **A**
I don t know if it s the wine or the coke
C **G**
That makes her sound like her jaw is broke
D **A** **C** **G**
She s workin hard to make some sense, but she ain t got a dime
D **A**
I wish to god that I could help her out
C **G**
I wish I knew what she was talkin bout
D **A**
I wish to god that I could get away
C **G**
but I m way too drunk to drive

D **Am**
All I know is that when I am good and sober
C **G**
I am leaving West Virginia for a while
D **Am**
don t know why but every time I cross that river
C **G**
Lord, there s somethin tears me up, Makes me wild

D **A**
Charleston girl with raven hair,
C **G**
bloodshot eyes and skin so fair
D **A** **C** **G**
I believe if I could find my keys Id try to drive away

D **A**
I never planned to leave so soon
C **G**
I didn't know that he was sweet on you

D **A**
Go ahead and take her
C **G**
Cause she ain't worth the time

D **Am**
All I know is that when I am good and sober
C **G**
I am leaving West Virginia for a while
D **Am**
Don't know why but every time I cross that river
C **G**
Lord, there's somethin' tears me up, Makes me wild
