Tyler Childers- Heart of stone

Capo 4

[Intro]

Am Em G Am

[Verse 1]

Am Am Em G
There a full moon shining through her bed room window shedding light on them
dirty sheets

Am Em
Here the floor creak listen to her heart beat

G Am
Louder than a Six string ever thought to ring

Am Em G
Sheâ€™s a bad sign lord but sheâ€™s a damn sight better than a long night
sleeping all alone

Am Em
Where the moon makes way to let the day break brother

G Am
She will leave you strung out on your own

[Chorus]

F G Am
Times get hard
F G D7
She keeps ridin

[Verse 2]

Am Em
Sheâ€™s a hot mess busting out her sun dress

G Am
Leaving for tomorrow, throw it on the ground

Am Em
Feel her hips sway listen to her I say

G Am
She dont need a damn thing tryin to way her down

[Chorus]

F G Am

Heart of stone
F G Am D7
Hotter than fire

[Verse 3]

Am Em G
Am
She's a heart break hittin like a hard rain washing out the creek bank takin
what she please
Am Em
Hear her heels click leaving like a bad trip
G Am
Leaving feeling breathless staggering to your feet

[Chorus]

F G Am
Times get hard
F G D7
She keeps ridin
