

**Jersey Giant**  
**Tyler Childers**

[Intro]

**G D Am C**

[Verse 1]

**G** **D**  
I remember all them summers  
**Am** **C**  
Playing till my fingers bled  
**G** **D**  
You d sing the songs and I d sing with you  
**Am** **C**  
We d get drunk and go to bed  
**G** **D**  
Looking back at all them memories  
**Am** **C**  
Lord I hate to sleep alone  
**G** **D**  
But if you ever get the notion  
**Am** **C**  
That you need me let me know

[Chorus]

**G**  
Cause it s just 2 hours to get there, babe  
**D**  
I can make it back about an hour or so  
**Am**  
Hold you close against my skin  
**C**  
I need a little warmth on a night so cold  
**G**  
Singing songs you used to sing  
**D**  
The one about the lady in the long black veil  
**Am**  
Should have seen the warnings signs  
**C**  
But Lord I love to hear you wail  
**G**  
High and lonesome, hard and strong  
**D**  
Even if it was a little out of tune  
**Am**  
Hotter than socks on a Jersey giant  
**C**  
Lord I thought you hung the moon

[Interlude]

**G D Am C**

[Verse 2]

**G** **D**  
I remember all them winters  
**Am** **C**  
Drinking Woodford till we drowned  
**G** **D**  
We d get wind about a party  
**Am** **C**  
Bundle up and go to town  
**G** **D**  
Never worry bout the police  
**Am** **C**  
Never worried much at all  
**G** **D**  
I miss those nights of reckless glory  
**Am** **C**  
I d come back if you d just call

[Chorus]

**G**  
Cause it s just 2 hours to get there, babe  
**D**  
I can make it back about an hour or so  
**Am**  
Hold you close against my skin  
**C**  
I need a little warmth on a night so cold  
**G**  
Singing songs you used to sing  
**D**  
The one about the lady in the long black veil  
**Am**  
Should have seen the warnings signs  
**C**  
But Lord I love to hear you wail  
**G**  
High and lonesome, hard and strong  
**D**  
Even if it was a little out of tune  
**Am**  
Hotter than socks on a Jersey giant  
**C**  
Lord I thought you hung the moon
