Dont Forget All Your Clothes
Tyler Hilton

[Intro]
```
A                              C#m   E
Don t forget all your clothes
        Bm        A
They ll be in my way after you go
     A       C#m     E
And I m not mad, I don t mind
              Bm      A              A                     F#m
But if you really wanna go leave nothin  behind
```

[Instrumental]
```
A    F#m
```

[Verse]
```
            A        F#m                         A        F#m
I don t know why        you re acting this way
            A        F#m                  G
Covered in tears,        blush on your face
            A        F#m                      A        F#m
You tell me you re mad    and stomp on my floor
                A         F#m                      G
Fuss with your bags, baby,      say we ve known love no more
```

```
                C#
But what did you say, you feel bad
              F#m
But there s someone else you found
                  G                D
Well, since it s you who wants to leave me, baby
                  E                      C    D
And not the other way around, yeah
```

[Chorus]
```
 A        E              F#m       E
Don t forget all your clothes
         Bm       A              E
They ll be in my way after you go
 A       E          F#m       E
I m not mad, I don t mind
         Bm      A     D       G     A
If you really wanna go, leave nothin  behind
```

[Instrumental]
```
F#m        A        F#m
```

[Verse]
```
            A        F#m                   A         F#m
```

```
Oh, tell me again        cause I can t recall
            A       F#m                  G
What I have said        or done that s so wrong, so wrong, so wrong
            A       F#m                              A       F#m
I promise you more,       I ll give you everything you need
                A           F#m              G
Oh, look what I ve done for ya,      look what you re doin  to me

[Bridge]
D               C#
So don t you give me those eyes
        F#m
That say, honey, you should know
  G                 D
I was gone from the start
                    E                           C     D
Well now, it s better if you go, hey, huh

[Chorus]
  A         E               F#m       E
Don t forget all your clothes
            Bm      A           E
They ll be in my way after you go
  A       E             F#m           E
I m not mad, I don t mind, yeah
        Bm      A    D          G         A
If you really wanna go, leave nothin  behind, yeah, hey

[Instrumental]
A       G

[Verse]
                                A
Who is this man that wants you anyhow?

Who s this man, babe?
  G
Don t he know you re gonna leave him
                                        E
Like you left somebody else, baby, not too far from now?

C   D   F#m  B       A#m  B       G#m                      F#         B
Oh, oh,      don t forget all your clothes (no dont t forget them baby)
            C#m     B              F#
They ll be in my way after you go   (after you go, after you go)
    B        F# A#m F#        G#m
And I m not mad,    I don t know  (know)
                F#
I dont  mind baby

[Outro]
    C#m           B
If you really want to go then, sugar
```

```
C#m                B       E
If you really want to go then, baby
C#m                B       E          A       B       G#m       B
If you really want to go leave nothin  behind
G#m      B                            G#m     B       A
Oh, leave nothin  behind, baby, yeah
```
