

**How Love Should Be**  
**Tyler Hilton**

The song is in D Tuning [D G C F A D]

D C G Bb C  
Mobile woman, buckle down your boots  
D C G Bb C  
If you leave me, what else can I do?  
D C G Bb C  
I ve been a dancer; Iâ€™ve been a dancer all my life  
D C G G F#  
But I m not dancing â€™round this one tonight  
Em A  
And I know I d be doing fine

D C G  
Without you believing in always picking up and thinking about leaving  
Em A D C  
Once you stick around then that s when I ll show you happiness the world can  
G Bb C D  
see. That s how love should be

D C G Bb C  
I m not asking, I m not on my knees  
D C G G F#  
I m not quite the knight I used to be  
Em A  
And I know I d be better off

D C G  
Without you believing in always picking up and thinking about leaving  
Em A D C  
Once you stick around then that s when I ll show you happiness the world can  
G Bb C  
see. That s how love should be

Em D G D  
I know I m ready for what s the hard part  
Cm D Em G Em A D  
I m being honest baby if youâ€™re right at home I m moving on
