Missing You - Performed by Tyler Hilton

Capo 1st fret

C
Every time I think of you,
F **G**
I always catch my breath
C
Iâ€™m still standing here, and youâ€™re miles away
F **G**
And I wonder why you left
Am
And thereâ€™s a storm thatâ€™s raging
F **G**
Through my frozen heart tonight

C
I hear your name in certain circles
F **G**
And it always makes me smile
C
I spend my time just thinking about you
F **G**
And itâ€™s almost driving me wild
Am
But itâ€™s my heart thatâ€™s breaking
F **G**
Down this long distance line tonight

C
And I ainâ€™t missing you at all
F **G**
Since youâ€™ve been gone, away
C
I ainâ€™t been missing you
F **G**
No matter what I might say

C
Thereâ€™s a message in the wires
F **G**
And Iâ€™m sending you a signal tonight
C
You donâ€™t know how desperate Iâ€™ve become
F **G**
And it looks like Iâ€™m losing this fight
