

So Young

Tyler Hilton

This song is actually by Curtis Peoples & Tyler Hilton

They play the same notes but with different guitar tunings, I ll post both I m pretty sure the lyrics aren t a 100% right but that s what I could come up with

Watch them perform an acoustic version of the song here:

<http://www.youtube.com/watch?v=ztNjU7dlFpI>

Tyler tunes his guitar half a step down and plays the chords you see on the lyrics (G D Em7...)

Curtis s chords are found here

OR

To play Curtis s part, put a capo on the 4th fret and replace tyler s chords with curtis s

Verse 1:

G		D
Southern California music for the morning	after on the radio	
Em7		Cadd9
Evan hanging over hands upon my shoulder,	dancing slow	
Am	G	Cadd9 D
Donâ€™t u find memories creep back in ur mind coz I remember		
Hey		

Chorus:

G
We drive around far to ever go there
D
Call u up and talk until the morning
Em7
When we kiss it hit me with that warning
Cadd9
Such a rush what a crush weâ€™d only been gone
Sneaking out in any kind of weather
Screaming out weâ€™ll always be together
looking back all we ever wanted
was a crush with some fun baby we were so young
