Intro x4

Verse (with lyrics):

Maybe you know noting,

But I sure as hell know something
â€˜Bout a motherâ€™s son.

And staring at my face,
Iâ€™m tracing lines across the same space
As the older oneâ€™s.

And I look out my window
Petrified by everything I done,
When I look at you baby.

Bridge to chorus:

Tell me you know where Iâ€™m coming from.
A thousand years of searching for the one.

Chorus:

And hey yeah, tonight we sorta kinda tore the lines up.
Tore the lines, tore the lines.
And hey baby, of course the course of horsing tore the lines up.
Tore the line, tore the lines, tore the lines.

(Play intro once)

Verse:

Iâ€™m a fan of photographs,
And all those dated members,
Hanging in my tree.

I you read Grandpaâ€™s letters,
Put together and sugar,
You know why you hang with me.

And I look out my window,
Petrified by everything I see,
But when I look at you baby.

Bridge to chorus:

Something seems to whisper home to me,
A thousand years so what if thousand years is three.

Chorus

Bridge:

Every that loves each other, loves their brother right,
And when the time comes to tear the lines up,
Thatâ€™s when Iâ€™ll show you, thatâ€™s when loveâ€™s alive.

(Play intro once)
