

Save
Tyler Joseph

Bm **D** **A**
I won't take much of your time
Bm
I just want you to see
D **A**
What I have made inside these lines
Bm D
It's as good as I can be
A
It's as good as I can be
Bm
This is all that I can be
D
This is all that I can be
A
All that I can be

Bm **D** **A**
Head tilted down, knees on the ground
Bm D A
And I will ask, please save! Save me!
Bm D A
Please, save, save!
Bm D A
Save, save, save, save, save, save, save
Save me, save me, save me
Save me, save me, save me

Bm **D** **A**
I deserve for you to turn away
Bm
I was ashamed to speak Your name
D A
I can't believe that all you see
Bm D
Is that you have covered me gracefully
A
You're all I want to be
Bm
You're all I want to be
D
You're all I'll ever need
A
You're all I'll ever need

Bm D A Bm D A
Jesus Jesus please save!

Save me! Save, save, save!

Save, save, save, save, save, save, save

Save me, save me, save me

I won't take much of your time

Bm

Just enough, for you to save me
