Tyler Kyte

Verse 1

And if you sent a raid out, a raid on me.
Well tell me that it takes two, to come in secretly.
And take em out and end all end all to be,
Well tell me are you waiting for someone like me?

Chorus

The honest truth is it is me,
Oh Sarah don t you know?
That there s something, there s something to being alone
Oh Sarah don t you go,
Cause I m nothing, I m nothing on my own.

And if you sent a raid out, a raid on me
Well tell me that it takes two to come and rescue me.

You can take it on the road,
You can take it over high,
You could bring it down,
To make it on your own.
You ve been takin it hard,
You should take it slow.
