I think it's enough to feel the Fire

Well I'm hungry and I'm bold
And I'll swallow you up whole
Pretty lady show your teeth

Holy Rolling Stone - holy Flesh and Bone
Wholly out of my mind

Holy Sun- shirt undone
Holy velocity

We were young and we were free
Nothing worried me
And you were sad and I was why
But I thought I sensed a smile
And I thought I could make you happy

But I'm so tired of ideals
Honey do just what you feel
I think it's enough to feel the Fire

Well I'm hungry and I'm bold
And I'll swallow you up whole
Pretty lady show your teeth

I'll arrive one day- well dressed and half awake
With improved diction, quoting European fiction
I'll arrive one day to a silence in the world
I'll miss the golden age and the silver girl

Hot as hell- oh well
I'm drunk on everything
Your worried mind- leave it behind
Forget your underwear- (oh lordy) we are free!

I'll arrive one day- well dressed and half awake
With improved diction, quoting European fiction
I'll arrive one day to a silence in the world
I'll miss the golden age and the silver girl
