

**Kiss Goodnight**  
**Tyler Shaw**

This song is pretty straight forward if I m correct, which i think the chords are pretty accurate.... Love this song :)

Standard tuning

It s really just these chords over and over again in this order

<b>Cadd9</b>	<b>G</b>	<b>Em7</b> (I think)	<b>Dadd11/F#</b>
E-3	E-3	E-3	E-3
B-3	B-3	B-3	B-3
G-0	G-0	G-0	G-2
D-2	D-0	D-2	D-0
A-3	A-2	A-2	A-0
E-0	E-3	E-0	E-2

I don t wanna kiss good night  
I just wanna stay here forever  
I don t wanna close my eyes  
I just wanna stay here forever

Lying here in silence  
So in love, but so afraid  
And I m not gonna deny it  
I have never felt this way

Time is sleepin away  
And we both know that I can t stay  
And time is not on our side  
So let s make the most of our last night

Chorus:

I don t wanna kiss good night  
I just wanna stay here forever  
I don t wanna close my eyes  
I just wanna stay here forever

Cause I know in the morning you ll be gone  
How am I supposed to carry on  
I don t wanna kiss good night  
I just wanna stay here forever

We re not gonna surrender  
Let s stay awake til the sun comes up  
Just one night left to remember  
So save your tears cause it always rains this time of year

It s time, so let s do this right  
Cause we ain t got all night  
And it s time to hold you tight  
Cause we re only minutes from good bye

Chorus:

I don t wanna kiss good night  
I just wanna stay here forever  
I don t wanna close my eyes  
I just wanna stay here forever

Cause I know in the morning you ll be gone  
How am I supposed to carry on  
I don t wanna kiss good night  
I just wanna stay here forever

Now the night is over  
We both know what it means  
Lying here watching the sun come up  
Is like waking from a dream

Chorus:

I don t wanna kiss good night  
I just wanna stay here forever  
I don t wanna close my eyes  
I just wanna stay here forever

Chorus:

I don t wanna kiss good night  
I just wanna stay here forever  
I don t wanna close my eyes  
I just wanna stay here forever

Cause I know in the morning you ll be gone  
How am I supposed to carry on  
I don t wanna kiss good night  
I just wanna stay here forever  
Forever
