G Cadd9
If I were lost in the cold would you come and rescue me?
G Cadd9
From the sky falls the snow and it freezes both my feet
G Cadd9
Could you bring me a coat and cuddle up next to me?

Am C/B C
I m not asking for a whole lot here
Am C/B C
All I really wanna know my dear

G Cadd9 Em7 D
Is would you be mine for just tonight
G Cadd9 Em7 D
Until the sun comes up, until the sun comes up
G Cadd9 Em7 D
Would you be mine for just tonight
G Cadd9 Em7 D
Until the sun comes up, until the sun comes up again

G Cadd9
Would you walk next to me down the street and hold my hand?
G Cadd9
Maybe sit next to me on the beach with our feet in the sand
G Cadd9
Could I brush back the hair from your face, every single strand?

Am C/B C
I m not asking for a whole lot here
Am C/B C
All I really wanna know my dear

G Cadd9 Em7 D
Is would you be mine for just tonight
G Cadd9 Em7 D
Until the sun comes up, until the sun comes up

Would you be mine for just tonight
