G, Em, C, D (the whole song)

You know you love me, I know you care
Just shout whenever, And I ll be there
You are my love, You are my heart
And we will never ever ever be apart

Are we an item? Girl quit playing
Were just friends, What are you saying
Said theres another, Look right in my eyes

My first love broke my heart for the first time,
And I was like
Baby, baby, baby noo
Like baby, baby, baby noo
Like baby, baby, baby noo
I thought youd always be mine mine

Baby, baby, baby noo
Like baby, baby, baby noo
Like baby, baby, baby noo
I thought youd always be mine, mine (oh oh)

For you, I would have done whatever
And I just can t believe, we ain t together
And I wanna play it cool, But I m losin you
I ll buy you anything, I ll buy you any ring
And im in pieces, Baby fix me
And just shake me til you wake me from this bad dream

Im going down, down, down, doown
And I just cant believe my first love would be around.

And I m like beautiful girls
That s why it ll never work
You ll have me suicidal, suicidal
When you say it s over
When the night has come
And the land is dark
And the moon is the only light we see
No I won t be afraid
No I won t be afraid

Just as long as she stay stand by me.
