Capo 3

Chords: **Am, F, C, G** troughout the hole song!

LUDA!

Now I may not be the worst or the best but you gotta respect my honesty.  
And I may break your heart, but I don't really think there's anybody as bomb  
as me  
So you can take this chance, in the end everybody's gonna be wondering? how ya  
deal  
You might say this is Ludacris, but Taio Cruz tell em how ya feel!

Now listen to me baby  
Before I love and leave you  
They call me heart breaker  
I don't wanna deceive you

If you fall for me  
I'm not easy to please  
I might tear you apart  
Told you from the start, baby from the start.

I'm only gonna break break ya break break ya heart.

There's not point trying to hide it  
No point trying to evade it  
I know I got a problem  
By doing this behaving

If you fall for me  
I'm not easy to please  
I might tear you apart  
Told you from the start, baby from the start.

I'm only gonna break break ya break break ya heart.

(That's all I'm gonna do woman)  
Listen, now I'm only gonna break your heart  
And shatter and spatter it all into little itty bitty pieces  
Whether or not you get it all together  
Then it's finders keepers and losers weepers  
See I'm not trying lead you on, no I'm? only trying keep it real

You might say this is Ludacris, but Taio Cruz tell her how you feel!
