Say youâ€™ll run to my side

Versel:

Em7
Thereâ€™s something â€™bout Mary
G/F#
Never won a pageant
G
Never felt pretty
Cadd9
Never looked like Cameron
Em7
Diaz was her last name
G/F#
Always been abandoned
G
Keep your head up
Cadd9
Baby girl this is your anthem

Verse2:

Em7

There goes Hannah

G/F#

Showinâ€™ off her banner

G

Cadd9

Rockinâ€™ that crown make them boys go bananas

When youâ€™re insecure about yourself, itâ€™s a fact

You can point a finger but thereâ€™s three pointing back, yeah

Pre-chorus:

Cadd9

I can see her crying out, yeah

G

Is there anybody out there?

G/F#

Sheâ€™s really counting on your love

Em7

Still struggling an uphill

But you act like you donâ€™t care

Cadd9

Right now you could really use a shoulder

G

Hanging onto the edge til itâ€™s over

G/F#

Sheâ€™s crying for your love tonight

Em7

Loneliest heart to survive, she said

Chorus:

Cadd9

G

I donâ€™t wanna be left in this war tonight

Interlude:

Cadd9, G, Em7, Dsus4*

Verse3:

Em7 **G/F#**
His name was Adam when his mom had him
G **Cadd9**
Dad was a phantom never took a look at him
Em7 **G/F#**
He grew up mad and never had a friend near
G **Cadd9**
Hated outdoors, always in playing Madden

Verse4:

Em7 **G/F#**
Adam was lonely, drugs were the only
G **Cadd9**
Way out of his own life, now he's slowly
Em7 **G/F#**
Losing fire and he's close to retire
G **Cadd9**
With one last hope he puts his arms up higher, and

Pre-chorus:

Cadd9
I can see him crying out, yeah
G
Is there anybody out there?
G/F#
He's really counting on your love
Em7
Still struggling an uphill
But you act like you don't care

Cadd9
Right now he could really use a shoulder
G
Hanging onto the edge til it's over
G/F#
He's crying for your love tonight
Em7
Loneliest heart to survive, he said

Chorus:

Cadd9 **G**
I don't wanna be left in this war tonight
Em7 **Dsus4**
Am I alone in this fight? Is anybody out there?
Cadd9 **G**

Is anybody out there?
