Chorus:

Badd9*   **F#***
I donâ€™t wanna be left in this war tonight
Ebm7*   **C#sus4***
Am I alone in this fight? Is anybody out there?
Badd9*   **F#***
I donâ€™t wanna be left in this world behind
Ebm7*   **C#sus4***
Say youâ€™ll run to my side

Verse1:

Ebm7
Thereâ€™s something â€™bout Mary
F#/F#
Never won a pageant
F#
Never felt pretty
Badd9
Never looked like Cameron
Ebm7
Diaz was her last name
F#/F#
Always been abandoned
F#
Keep your head up
Badd9
Baby girl this is your anthem

Verse2:

Ebm7
There goes Hannah
F#/F#
Showin' off her banner
F#   **Badd9**
Rockin' that crown make them boys go bananas
Ebm7   **F#/F#**
When you're insecure about yourself, it's a fact
F#   **Badd9**
You can point a finger but there's three pointing back, yeah

Pre-chorus:

Badd9
I can see her crying out, yeah
F#
Is there anybody out there?
F#/F#
She's really counting on your love
                          Ebm7
Still struggling an uphill
But you act like you don't care

Badd9
Right now you could really use a shoulder
F#
Hanging onto the edge til it's over
F#/F#
She's crying for your love tonight
Ebm7
Loneliest heart to survive, she said

Chorus:

Badd9   **F#**
I don't wanna be left in this war tonight
Ebm7   **C#sus4**
Am I alone in this fight? Is anybody out there?
Badd9   **F#**
Don't wanna be left in this world behind
Ebm7   **C#sus4**
Say you'll run to my side
Is anybody out there?

Interlude:

Badd9, F#, Ebm7, C#sus4*

Verse3:

```
Ebm7                    F#/F#
His name was Adam when his mom had him
F#                  Badd9
Dad was a phantom never took a look at him
Ebm7                    F#/F#
He grew up mad and never had a friend near
F#              Badd9
Hated outdoors, always in playing Madden

Verse4:

Ebm7                    F#/F#
Adam was lonely, drugs were the only
F#                  Badd9
Way out of his own life, now he’s slowly
Ebm7                F#/F#
Losing fire and he’s close to retire
F#                  Badd9
With one last hope he puts his arms up higher, and

Pre-chorus:

Badd9
I can see him crying out, yeah
F#
Is there anybody out there?
F#/F#
He’s really counting on your love
                    Ebm7
Still struggling an uphill
But you act like you don’t care

Badd9
Right now he could really use a shoulder
F#
Hanging onto the edge til it’s over
F#/F#
He’s crying for your love tonight
Ebm7
Loneliest heart to survive, he said

Chorus:

Badd9                       F#
I don’t wanna be left in this war tonight
Ebm7                    C#sus4
Am I alone in this fight? Is anybody out there?
Badd9                   F#
Don’t wanna be left in this world behind
Ebm7                        C#sus4
```

Say you'll run to my side
Is anybody out there?

Badd9*   **F#***
I don't wanna be left in this war tonight
Ebm7*   **C#sus4***
Am I alone in this fight? Is anybody out there?

End on **Badd9**
