Baby girl this is your anthem

There goes Hannah

F#m7 **A/F#**
His name was Adam when his mom had him
A **Dadd9**
Dad was a phantom never took a look at him
F#m7 **A/F#**
He grew up mad and never had a friend near
A **Dadd9**
Hated outdoors, always in playing Madden

Verse4:

F#m7 **A/F#**
Adam was lonely, drugs were the only
A **Dadd9**
Way out of his own life, now heâ€™s slowly
F#m7 **A/F#**
Losing fire and heâ€™s close to retire
A **Dadd9**
With one last hope he puts his arms up higher, and

Pre-chorus:

Dadd9
I can see him crying out, yeah
A
Is there anybody out there?
A/F#
Heâ€™s really counting on your love
F#m7
Still struggling an uphill
But you act like you donâ€™t care

Dadd9
Right now he could really use a shoulder
A
Hanging onto the edge til itâ€™s over
A/F#
Heâ€™s crying for your love tonight
F#m7
Loneliest heart to survive, he said

Dadd9 **A**
I donâ€™t wanna be left in this war tonight
