Mary song by Tyler ward

CAPO 5.

I did this tab a bit easier just so you can change the CAP0 to 1,2,3,4 or 5.
Cause
the tune is a bit high in this song. Well, i hope you enjoy it.

Em C G
She let her hair fall down from the side
D Em
As the tears fell on the sheet
C G
She had given more than who she was
D
To the world

Em C
Will you hold her up
G
Or let her fall
D Em
Or stand strong without withering
C G
With just a word I will lift you up
D Em
A word of love can change anything

Em
cause you take away
C D
please take away my pain
Em
and I need this change
C slide up to D
things will never be the same

Em C G
he looked her in the eye with passion
D Em
he spoke the word that said it all
C G
no matter what you have done I love you

D E
and ill love you through it all

C
ill hold you up

G
cause its tearing you down

D Em
some mighty strong flower withering

C G
with just a word I will lift you up

D Em
a word of love can change anything

Em
and ill take away

C slide to D
I will take away your pain

Em
And you need this change

C slide to D
It wont ever be the same YEAHH!!!
