

You Will Never Be
Tyler Ward

Capo 2

Em, Cadd9, G, D x2

Verse:

Em **Cadd9**
How did we ever come to this
 G
I never thought you'd be
 D
someone I'd have to miss
 Em **Cadd9**
and there I was caught in your game
G **D**
needing answers that never came
 Em
and we took a chance,
 Cadd9
you said you were strong
G
strong enough
 D
but you were wrong...

CHORUS:

and now I m...
Em **Cadd9**
Deafened by your silence
G **D**
blinded by the tears
 Em **Cadd9**
if you're looking for forgiveness
G **D**
you won't find that here
 Em **Cadd9**
cause you lied your way to heartbreak
 G **D**
and now it's all too clear
 Am **C G D**
that you will never be....
