Interlude: **D--Em7-D/F#-Bm--C9** x2

Verse 1:

D **A/C#**

Broken hopes falling away

Don t you have

Bm

something to say

G

Does it make you sleep?

D

Emptiness of words

A/C#

that you ve said

Scars in my heart

Bm

that you left

G

Now i m close to dying

Refrain:

Bm

A

Everything s failing

G

with thoughts of you

Now i m down without

Bm

knowing what s true

A

With the way you

G

look at someone else

Bm **A**

Everyone s saying

G

just try to be strong

How i wish that i m

Bm

just being wrong

A

Would you try

G

to hear me out?

Chorus:

D **A/C#**

The mood of distraction s

Bm

prevailing tonight

G

Have you seen what s

D

the best and what s right?

A/C#

Now you re gone and

Bm **G**

you re on your own

D **A/C#**

The ghost of my presence

Bm

is saying goodbye

G

And i ll die without

D

making things right

A/C#

Now you re gone

Bm **G**

and i m on my own

Interlude: D--Em7-D/F#-Bm--C9 x2

Verse 2:

D

Broken glass

A/C#

cut me to sleep

Wounds are

Bm

dissected so deep

G

I don t want

to wake up

D

I need this blood

A/C#

to warm my hands

And you don t

Bm

have to understand

G

You just got

me all wrong

(Repeat Refrain and Chorus)
