**D**

I never said I was honest

**D**

I never said I was honest

**A**

But I am true

**D**

But I am true

**D**

We all see something different

We all recall something different

**A**

When we watch the parade

**D**

go marching through

**D**

So be kind to all of your neighbors

**D**

Be kind to all of your neighbors

**A**

Because theyâ€™re just like you

**D**

Theyâ€™re just like you

**G**

And youâ€™re nothing special

Unless they are too

**D**

All my time Iâ€™ve walked a filed line

Iâ€™ve held a vacant sign upon my eyelids

**G**

All my time Oâ€™ Lord Iâ€™ve been so blind

but now I see the light peek through my door-jamb

**Bm**

But thereâ€™s no hallelujah it will be gone soon

Yeah it will be gone soon itâ€™s just an empty room

**G**

This is the darkest cave we never see the day

but slowly make our way up to the mouth

**D**

You gonna piss and moan

You let the devil in your home

**G**

You let the devil in your home  
You let the devil in your home

**Bm**

-Piss and moan

You let the devil in your home

**G**

You let the devil in your home  
You let the devil in your home

**D-G-Bm-G**

â€"in your home
