

## Freedom

Tyrone Wells

Freedom - Tyrone Wells

Capo 7 (you can also play it on the 5th or 3rd fret, whichever you think sounds better)

Intro

**C | F C | C | G C**

Verse 1

**C**

If you feel like dancing

**F C**

In the middle of the street

**C**

Breaking into song

**G C**

Or singing out of key

**C**

And if you fall in love

**F C**

Go on and kiss that girl or boy

**C**

And if you like your music loud

**G C**

Make a little noise

Chorus

**C**

When you let it go

**F C**

What they say is true

**C**

When you let it go

**G C**

It ll come right back to you

When you let it go

**F C**

There is freedom when you do

**C**

When you let it go

**G C**

It ll come right back to you

Every time now

**C**

La La La La La
