This site has helped me so much over the years, thought it was time to give back with my first tab. Hopefully it s all correct! :)

God Would You Help Us
By: Tyrone Wells

Intro **Bbm F# Bbm**

F#
I see the people on the street I hear them ask me for some food to eat,
Bbm
I know itâ€™s cold when they try speak, wrapped in sorrow
F#
I watched as love was torn apart, Iâ€™ve seen the wreckage of the heart
Bbm
When just one is left out in the dark with their sorrow
D#m
The question in all of our minds

Bbm
God would help us
Fm
God would you please
G# F#
So many people down on their knees
Bbm
God would help us
Fm
God would you please
G# F#
So many people down on their knees
Bbm
So much sorrow

Verse 2

F#
Iâ€™ve seen parents walk away, abandon their child to the state
Bbm
And I know that childâ€™s heart will break from the sorrow
F#
Iâ€™ve tasted the bitterness of death when my loved one took that final breathe
Bbm
They were gone and all that I had left was my sorrow
D#m
The question in all of our minds

Bridge

G# **Bbm**

Then like a whisper floats on the breeze I hear a voice sayin'™ to me

G#

You are my hands you are my feet you bring the food that they will eat

Bbm

You are my hands you are my feet you be the friend that they will need

F#

You are my hands you are my feet you be the love that they will need

Bbm

For their sorrow

Ending

Bbm

God would help us, God would you please
