This site has helped me so much over the years, thought it was time to give back with my first tab. Hopefully it s all correct! :)

God Would You Help Us
By: Tyrone Wells

Intro **Bm G Bm**

G
I see the people on the street I hear them ask me for some food to eat,
Bm
I know itâ€™s cold when they try speak, wrapped in sorrow
G
I watched as love was torn apart, Iâ€™ve seen the wreckage of the heart
Bm
When just one is left out in the dark with their sorrow
Em
The question in all of our minds

Bm
God would help us
F#m
God would you please
A G
So many people down on their knees
Bm
God would help us
F#m
God would you please
A G
So many people down on their knees
Bm
So much sorrow

Verse 2

G
Iâ€™ve seen parents walk away, abandon their child to the state
Bm
And I know that childâ€™s heart will break from the sorrow
G
Iâ€™ve tasted the bitterness of death when my loved one took that final breathe
Bm
They were gone and all that I had left was my sorrow
Em
The question in all of our minds

Bridge

A

Bm

Then like a whisper floats on the breeze I hear a voice sayin'™ to me

A

You are my hands you are my feet you bring the food that they will eat

Bm

You are my hands you are my feet you be the friend that they will need

G

You are my hands you are my feet you be the love that they will need

Bm

For their sorrow

Ending

Bm

God would help us, God would you please
