This site has helped me so much over the years, thought it was time to give back with my first tab. Hopefully it s all correct! :)

God Would You Help Us  
By: Tyrone Wells

Intro **Cm G# Cm**

**G#**

I see the people on the street I hear them ask me for some food to eat,  
**Cm**

I know itâ€™s cold when they try speak, wrapped in sorrow

**G#**

I watched as love was torn apart, Iâ€™ve seen the wreckage of the heart  
**Cm**

When just one is left out in the dark with their sorrow

**Fm**

The question in all of our minds

**Cm**

God would help us

**Gm**

God would you please

**Bb**

**G#**

So many people down on their knees

**Cm**

God would help us

**Gm**

God would you please

**Bb**

**G#**

So many people down on their knees

**Cm**

So much sorrow

Verse 2

**G#**

Iâ€™ve seen parents walk away, abandon their child to the state

**Cm**

And I know that childâ€™s heart will break from the sorrow

**G#**

Iâ€™ve tasted the bitterness of death when my loved one took that final breathe

**Cm**

They were gone and all that I had left was my sorrow

**Fm**

The question in all of our minds

Bridge

**Bb** **Cm**

Then like a whisper floats on the breeze I hear a voice sayin'™ to me

**Bb**

You are my hands you are my feet you bring the food that they will eat

**Cm**

You are my hands you are my feet you be the friend that they will need

**G#**

You are my hands you are my feet you be the love that they will need

**Cm**

For their sorrow

Ending

**Cm**

God would help us, God would you please
