

Happy As The Sun
Tyrone Wells

Capo on 8

Yeah it sucks but it sounds nice

Intro - **A E D E**

F# **A**
Whenever this world gets the best of me
F#

And it all goes wrong

A
I count down the hours till we meet

Bm
And I move along

G **E**
cause I know that when I see you I will be

Chorus:

A **E** **D** **E**
Happy as the sun, lighter than a feather
A **E** **D** **E**
Walking on the clouds when we are together
A **E** **D** **E**
Every day with you just keeps getting better
A **E** **A/Asus** **D** **E** **A**
The world s as it should be, when are you here with me

F# **A**
Whenever you leave, my heart skips a beat
F#

Like it knows you re gone

A
Unless you are here, I am incomplete

Bm
I m an undone song

G **E**
Only you inspire the melody in me

(Chorus)
