

Metal Wood
Tyrone Wells

Intro Em / Bm / D / Em / x 6

Verse 1

Take all the Metal and Wood
Used in the waging war
And teach the men that make those weapons
To build shelter for the poor

Verse 2

Take all the money we spend
On the way that we appear
Find the ones that die of hunger
And help them to see another year

Chorus:

Before we fade away
Let s make a better day
This world will keep on turning
After we are gone... long gone.

Solo: Em / Bm / D / Bm / x 4

Verse 3

There is a forest I loved
Where the air was fresh and clean
We took the forest for a factory
So we could build some more machines

Verse 4

When I was young I learned to sing
And music blossomed in my soul
We took the music from the schools
And left the darkest, gaping holes.

Chorus:

Where will our children be?

If they don't learn to see?

Em **Bm** **D** **Em**
Millions of voices falling silent til they're gone

Bridge:

Em **Bm** **D** **Em**
When we were young all the world was new
Em **Bm** **D** **Em** **Em**
But soon we found the childhood fairytale were never true

Verse 5

And how the story ends depends on you and me
Where will our children be? If they don't learn to see?
Millions of voices falling silent til they're gone

Outro:

Before we fade away
Let's make a better day
This world will keep on turning
After we are gone after you are gone.
Em **Bm** **D--** **Em**
After we are gone... long gone.
