

Not Over You
Tyrone Wells

G
There is a time for letting go
C **G**
To walk away and move on down the road
C
A time for letting go

G
There is a time to say goodbye
C **G**
To say the words then hang your head and cry
C
A time to say goodbye

Em
I can see that you're hurting
G **C**
Pain is in your eyes
Em
You might think that it's ending
G **C**
But not without a fight

G
I'm not ready to run
Em
I'm not ready to lay down
D
I don't think that it's too late
C
To turn it all around

G
There is a time for holding on
C **G**
Hanging on until all hope is gone
C
A time for holding on
