

Sink Or Swim
Tyrone Wells

Standard Tuning - Capo 1

Chords - are hammered-on twice during the chord
[] are pulled off to open the string for last strum of chord

(relative to capo)

----C---F---G---Am---

```
e|--0---1---3---0---|
B|--1---1---0---1---|
G|--0--(2)--0---2---|
D|---3---0---2---|
A|--3---3---2-----|
E|-----3-----|
```

The into and verse strum pattern are the same - there is a hammer on and off on the D string during the C chord twice to get that note change, and the G string is opened at the end of the F chord.

Listen to the song and mess around with hammering during the C chord and opening the F chord and you will get it!

() - Optional chords

Intro:

C F C F

Verse:

C F
Caught in the middle of a crossfire
C F (G)
Lost my balance on a high wire

Trying to figure out what to do

Pushed to the edge of my reason
C F (G)
Everywhere around me it s treason
Am F C
I don t want to do that to you

Chorus:

Am F
Kamikaze airplanes in the sky

C **G**
Are we going down or will we fly?
Am **F**
This could be a shipwreck on the shore
C **G**
Or we could sail away forevermore
F **G** (Intro pattern **C** **F** **C** **F**)
This time it s sink or swim, sink or swim

Hearing the song in your laughter
A melody I chase after
No one else has done this to me

Kamikaze airplanes in the sky
Are we going down or will we fly?
This could be a shipwreck on the shore
Or we could sail away forevermore
This time it s sink or swim, sink or swim

Bridge:

F
Take a deep breath
No more time left
This is what I thought I wanted
Why am I afraid?

Kamikaze airplanes in the sky
Are we going down or will we fly?
This could be a shipwreck on the shore
Or we could sail away forevermore

Kamikaze airplanes in the sky
Are we going down or will we fly?
This could be a shipwreck on the shore
Or we could sail away forevermore
This time it s sink or swim, sink or swim
