

**This Moment Now**  
**Tyrone Wells**

Capo 1

Verse 1:

**G**                    **D**                    **Em**                    **C**  
You light me up, you set the sun  
**G**                    **D**                    **Em**                    **C**  
You bring the crowd, down to one  
**G**                    **D**                    **Em**                    **C**  
I dream of you in the morning until the day is done  
**G**                    **D**                    **Em**                    **C**  
And then again when evening comes

Chorus:

**G**            **D**                    **Em**                    **C**  
All my life I ve waited for this moment now  
**G**            **D**                    **Em**                    **C**  
In your eyes finally I know I am found  
**G**  
So good to feel this way  
**D**  
Can t find the words to say  
**Em**                    **C**  
But I ll show you how  
**G**            **D**                    **Em**                    **C**  
All my life I ve waited for this moment now

**G G**

Verse 2:

**G**                    **D**                    **Em**                    **C**  
You are the spring, you are the fall  
**G**                    **D**                    **Em**                    **C**  
My big debut, my curtain call  
**G**                    **D**  
The world is covered in beauty  
                  **Em**                    **C**  
And through the cracks in the wall  
**G**                    **D**                    **Em**                    **C**  
I see your light behind it all

Chorus:

**G**            **D**                    **Em**                    **C**  
All my life I ve waited for this moment now

**G**            **D**                    **Em**            **C**  
In your eyes finally I know I am found  
**G**  
So good to feel this way  
**D**  
Can t find the words to say  
**Em**                            **C**  
But I ll show you how  
**G**            **D**                    **Em**            **C**  
All my life I ve waited for this moment now

Bridge:

**Am**                                    **Em**  
There s nothing I d rather do  
**Am**                                    **C**  
Then be here now with you  
**G**                    **D**                    **Em**            **C**  
This moment, this moment, this moment now  
**G**                    **D**                    **Em**            **C**  
This moment, this moment, this moment now

Chorus:

**G**            **D**                    **Em**            **C**  
All my life I ve waited for this moment now  
**G**            **D**                    **Em**            **C**  
In your eyes finally I know I am found  
**G**  
So good to feel this way  
**D**  
Can t find the words to say  
**Em**                            **C**  
But I ll show you how  
**G**            **D**                    **Em**            **C**  
All my life I ve waited for this moment now
