Verse 1

A#m

It just hit the season everyone breeding, slap on my face elevate my breathing

A#m D#m

I just got to see her so Iâ€™m off and leaving, tracks wind back to the coliseum

A#m A#m

the villagers and aristocrats uneasy, Horde for the spectacle they want to see me

A#m D#m

The sun done shine as they take their seating, Arms in the air wave em round like sea weed

A#m A#m

and nothing be as good as you chick, We got a special unique loose fit

A#m D#m

and everything we do is to prove we tuned in, We sticking to each other like paper to glue stick

A#m A#m

Reminds me of kittens and newspaper, slipping in and out of it all like two vapours

A#m D#m

intertwined and we smoke ring crusaders, caught in a crux Iâ€™m calling it love and

A#m A#m

all the above and below the surface, This contact sport got me sort of nervous

A#m D#m

Bliss and a little bit of soda purpose, likely to cause all sorts of hurt â€¦
Letâ€™s go.

Chorus

A#m Fm

One thing that I really want to do, get close and personal with you

D#m A#m

Thatâ€™s one thing I just got to do,.....eh, eh, eh

A#m Fm

caught deep in the deepness of the blue, Iâ€™m sick from the sweetness off of
you

D#m A#m

Your one thing I just got to do,eh ,eh ,eh

Verse 2

[Guitar break x2]

You got class like red wine and soul tunes
and when you laugh you can light up a whole room
You play your mind like a beautiful instrument
cut a fool down to size with your intellect

yeah I know youâ€™re kind of scared of gettin intimate
we both hold back from really getting in to this
Well letâ€™s risk it and see what come
because we stick together like bass line to bass drum

[**A#m A#m A#m D#m**]

I know you got a lot to do love
we all do love lookin for true love
and ainâ€™t it just like love to get you confused love
win and lose love well then weâ€™ll make new Love

[**A#m A#m A#m D#m**]

And we all run from something so strong
we give up but then we get back on
We both get busy with a lot to do
But if youâ€™d like well Iâ€™d like to do a lot with you
so câ€™mon.

Chorus - [**A#m Fm D#m A#m**] x 4

[**A#m Fm D#m A#m**] x 2

[**A#m Fm D#m A#m**]

Sometimes it's early in the morning
outside the sun is shining so we just stay in bed
The world is ours we can pretend

[A#m Fm D#m A#m]

Sometimes it's late into the evening
we are silent we ain't speaking
because nothing can be said
round and round it goes again...

Chorus - [A#m Fm D#m A#m] x 4
