You can run from love  
And if it s really love it will find you  
Catch you by the heel  
But you can t be numb for love  
The only pain is to feel nothing at all  
How can I hurt when I m holding you?

[Chorus]

I could never take a chance  
Of losing love to find romance  
In the mysterious distance  
Between a man and a woman  
And you re the one, there s no-one else  
That makes me wanna lose myself  
In the mysterious distance  
Between a man and a woman
