Take the heat from the sun
Bm
Little sister
Bm
I know that everything is not ok
F#m
But you re like honey on my tongue
[Pre-Chorus]
True love never can be rent
But only true love can keep beauty innocent
[Chorus]
I could never take a chance
Of losing love to find romance
In the mysterious distance
          F#
Between a man and a woman
G
No I could never take a chance
Cause I could never understand
The mysterious distance
          F#
Between a man and a woman
[Part 2]
(Chords from part 1)
```

You can run from love
And if it s really love it will find you
Catch you by the heel
But you can t be numb for love
The only pain is to feel nothing at all
How can I hurt when I m holding you?

[Chorus]

I could never take a chance
Of losing love to find romance
In the mysterious distance
Between a man and a woman
And you re the one, there s no-one else
That makes me wanna lose myself
In the mysterious distance
Between a man and a woman

Em

Brown eyed girl across the street

Α

On rue Saint Divine

Em

I thought this is the one for me

Α

But she was already mine

G F#m

You were already mine

[Part 3]

(Chords from part 1)

Little sister

Ive been sleeping in the street again Like a stray dog

Like a stray dog

Little sister

Ive been trying to feel complete again

But you re gone and so is God

[Pre-Chorus]

The soul needs beauty for a soul mate When the soul wants the soul waits

[Chorus]

No I could never take a chance Of losing love to find romance In the mysterious distance Between a man and a woman

G

For love and sex and faith and fear

G A

And all the things that keep us here

G A

The mysterious distance

G F#

Between a man and a woman
