E|-----|
```

```
      C                      F
It was a cold and wet December day
C                      F
When we touched the ground at JFK
C                      F
Snow was melting on the ground
C      F                      C      F
On BLS I heard the sound,    of an angel
C                      F
New York, like a Christmas tree
C                      F          C      F
Tonight this city belongs to me,    Angel

F      G                      F
Soul love...this love won t let me go
      G      C      F
So long...Angel of Harlem
```

G F C (2x)

```
C                      F
Birdland on fifty-three
C                      F
The street sounds like a symphony
C                      F
We got John Coltrane and a love supreme
C                      F          C      F
Miles says she s got to be an angel
C                      F
Lady Day got diamond eyes
C                      F          C      F
She sees the truth behind the lies,    Angel

F      G                      F
Soul love...this love won t let me go
      G      C      F
So long...Angel of Harlem
G      C      F
Angel of Harlem
```

Am G F
Oooh, oooh?.oooh, aaahh aaaaahhh
Am G F
She says it s heart... heart and soul...

C F
Yeah yeah... yeah
C F
Yeah yeah... yeah

C F
Blue light on the avenue
C F
God knows they got to you
C F
An empty glass, the lady sings
C F
Eyes swollen like a bee sting
C F
Blinded you lost your way
C F
Through the side streets and the alleyway
C F
Like a star exploding in the night
C F
Falling to the city in broad daylight

F
An angel in Devil s shoes
G
Salvation in the blues
F
You never looked like an angel
G C F
Yeah yeah... Angel of Harlem

G C F
G C F
Angel, Angel of Harlem...
