Intro (=chorus riff): / **B B A E E** / (**G#**) **A A (F#) B B** /

verse

E (**G#**) **A** (**F#**)**B**
All the obstacles in my way, now
{repeat prev chords}
Are disappearing every day, now
C#m (**G#**) **F#** (**A**) **B**
I m getting closer We re getting closer to
C#m (**G#**) **F#** (**A**) **B**
home It won t be long until the summer comes

chorus (x2)

E G# A F# B
Are you gonna wait forever?

verse

Getting out from under my bed, now
I m going to say the things I should have said, now
Getting closer Getting closer to what s true
Gonna find myself in you

chorus (x4)

Are you gonna wait forever?

bridge

C#m
There s no one there behind their eyes
A
They re in the business, beautiful lies
F#
We ll keep the promise
A
Cause we don t know how to break it

{repeat prev chords...}

The furniture you can rearrange
Don t trade your dreams for some small change
{...except go to B just before chorus}

Guard the flame, or better leave it naked

chorus

Are you gonna wait forever?

Are you gonna wait forever?

Are you gonna wait forever?

How?

Are you gonna wait forever?

How, how long, how long?

Or is it now, now, now?

Or is it now?
