Babyface
U2

Intro: **C# G# B#m F#**

```
C#                          G#
Whatching your bright blue eyes
        A#m                 F#
In the freeze frame
     C#                G#/C
I ve seen them so many times
              B               F#
I feel like I must be your best friend
                C#      G#/C      B
You re looking fine,so fine,oh my,
                   F#
Dressed up like a lovely day
```

(**C# G#/C B F#**)
Babyface,Babyface
Slow down child,let me untie your lace
Babyface,Babyface
Cover girl with natural grace

(**D#m G# D#m G#**)
How could beauty be so kind
To an ordinary guy?

```
C#                          G#
Coming home late at night
           A#m              F#
To turn you on
C#                          G#
Checking out every frame
           A#m            F#
I got slow motion on my side
```

```
        A#m        G#/C
Turning around and around
         B        F#
With the sound and colour
Under my control
A#m        G#/C          B
Round and around,going down
                  F#
Dressed up like a lovely day
```

(**C# G#/C B F#**)
Babyface,Babyface
Tin foil hair all tied up in lace

Babyface,Babyface
Bitter sweet girl won t you give me a taste

(**D#m G# D#m G#**)
How could beauty be so kind
To an ordinary guy?

C#
Do do do do do do do do do do...do do...
C#   **G#/C**   **A#m**   **F#**
Do do do do do do do do do do...do do...

(**C# G#/C A#m F#**)
Babyface,Babyface,slow down child,
Let me untie your lace
Babyface,Babyface,
Open that door
Let me unpack my case
Babyface,Babyface,
You re everywhere child
You re all over taht place
Babyface,Babyface,
You re coming to me from outerspace

(**D#m G# D#m G#**)
How could beauty be so kind
To an ordinary guy?
