

Boomerang Ii

U2

Main riff:

G-----
D-----
A---7-7-7-5-7-----7-7-7-5-7---
E--7-----5---7-----

The two interludes in the song goes like this:

G-----
D-----
A-----5---
E--3-----5--

Repeat that 4 times and then back to the main riff

That s all!

This is not a correction, but this song sounds much better with slappings.
Also the little interludes are played like this:

G-----
D-----
A----- (4 times)
E--3----3-5--
