(intro) (D A Bm)

16th of June, nine 0 five, door bell rings
Man at the door says if I want to stay alive a bit longer
There s a few things I need you to know. Three
Coming from a long line of travelling sales people on my mother s side
I wasn t gonna buy just anyone s cockatoo
So why would I invite a complete stranger into my home
Would you?

 16th of June, Chinese stocks are going up
 And I m coming down with some new Asian virus
 Ju Ju man, Ju Ju man
 Doc says you re fine, or dying Please
 Nine 0 nine, St John Divine, on the line, my pulse is fine
 But I m running down the road like loose electricity
 While the band in my head plays a striptease
